### BERTRAND?!!!! You too? This is Heaven on Earth! (April 3, 2021)

**I just told Sunshine, "Jesus is mind-blowing! 2000-years ago He proved Quantum Mechanics!" Only consciousness of conscience will resurrect that Reality. (May 7, 2021)**

**The final evolution of humanity from a physical-matter entity towards a wave-Consciousness eternity is an experience of the Age that has Come. Bertrand, Shivali, Sunshine and Nicole are the very few who have experienced both the Cool Breeze and Water of Life welling up to eternal life in the Age that has Come. Jesus has been glorified by the SPIRIT-Paraclete\* Shri Mataji. Indeed, it is Heaven on Earth\* for those who have ears that hear. (May 16, 2021)**

May 16, 2021

I just realized yesterday that through Jesus (and Guru Nanak) I have found the eternal sanctuary that lies at the Lotus Feet of THE MOTHER. It is not the religions of Christianity or Sikhism that are leading me to THE MOTHER, but Jesus and Guru Nanak.

Having said that, it is Jesus who is leading me in that direction through the message of the Paraclete Shri Mataji in the Age that has Come.

Tens of thousands over the last five decades have experienced the Cool Breeze but most have either fallen on rocky barren grounds or among thorns, and never took root. That was 2000 years ago:

"Listen! Behold, a sower went out to sow. And as he sowed, some seed fell along the path, and the birds came and devoured it. Other seed fell on rocky ground, where it did not have much soil, and immediately it sprang up, since it had no depth of soil. And when the sun rose, it was scorched, and since it had no root, it withered away. Other seed fell among thorns, and the thorns grew up and choked it, and it yielded no grain. And other seeds fell into good soil and produced grain, growing up and increasing and yielding thirtyfold and sixtyfold and a hundredfold." And he said, "He who has ears to hear, let him hear." Mark 4:3-9

2000 years later, most were blown away by the simple whisper of the Prince of Doubt into their ears after the Paraclete Shri Mataji spoke ..... and Jesus was heard no more. 2000 years of the hijacking of His message made that such a simple task.

Just a whisper of Doubt—from a church *padre*, *gurdwara giani*, *mandir pundit*, *mosque mullah*—was enough to make ears deaf to His return in the form of the Paraclete Shri Mataji who, **just like Jesus**, went on the offensive again against the religious authorities:

**"But in the West, we still are very much attached to that nonsense of Christianity. It has nothing to do with Christ, believe me, and this fanaticism which is lingering still in your mind must be given up, otherwise you do not do any justice to Christ. That by no chance means that you take to another religion like Hinduism or any nonsensical Jainism, or any thing. The essence, the Tattwa of Christianity is Christ. And it is so thickly clouded by all these nonsensical things that you really have to drop out this word 'Christianity' from your vocabulary completely, and from your mind. Otherwise, you can never go to the essence. It is a fact, take it from me."**

**THE MOTHER: Messiah-Paraclete-Ruh-Devi**  
 Christmas Eve Puja Talk, Pune, India, 24 December 1982

Many fume and flee the moment they hear the Paraclete Shri Mataji insulting the priests of the religious institutions (who have conditioned and hijacked the original message of their founders.)

Let me bring clarity and evidence as to why Jesus, Guru Nanak and Shri Mataji have always gone against and challenged the religious authorities. Say, if I had been attending a church or *gurdwara* or *Khumb Mela* for the last 50 years, there was no way any priest of *giani* or *sadhu* would have made me say:

"I just realized that through Jesus (and Guru Nanak) I have experienced the Cool Breeze of THE HOLY SPIRIT that is verifiable evidence of second birth."

"I just realized that through Guru Nanak (and Jesus) I have experienced the Cool Breeze of the AYKAA MAYEE that is verifiable evidence of opening of *Dasam Duar*."

"I just realized through Bertrand and others that they have experienced the Living Waters of THE HOLY SPIRIT that is verifiable evidence of receiving of eternal life."

Dear Jagbir, I have also felt the living water oozing from my head number of times and that experience can't be explained in words. But I fail to understand why after experiencing such great things we get involved in materialism and our attention flows back and forth like a pendulum.

**Jagbir**

[3:56 a.m., 2021-04-03] Sunshine and Jagbir:

That is a fantastic experience and question Shivali. I have no words for a great soul like You.

You are living in Kali Yuga India from where great souls are born to rise and restore the honor of the Draupadis. As long You hold on to your sari have no fear of the Maya flowing back and forth. You must wait and watch in Silence the Lila of THE MOTHER that continues manifesting itself.

2050 is going to be so different and You will be far advanced by then to perform the duty chosen prior to taking birth on Earth in the Age that has Come. Remain in the peace and comfort of the Paraclete Shri Mataji. Everything will be alright because THE MOTHER is working through each one of us. You are HER!

jagbir after reading your post I had a talk with @+91 88896 98174 and she said that she experienced a water drop and something like stream of water over her Sahastrara for many years but not so often now.

**Jagbir**

[4:26 a.m., 2021-04-03] Sunshine and Jagbir:

I am speechless Shruti. I will extract what Jesus said about this Water that gives life eternal. I am so blessed to be surrounded by such ancient souls in this HALF THE SKY group. These are without question the best years of my life. My pranaam to all of You.

I would like to have details of all who experienced this Water coming out of their Sahasraras. I want first-hand experiences so that all future seekers are assured that what was promised by Jesus is being experienced by the disciples of his Paraclete in the Age that has Come. Thanks.

Jagbir you mean personal details or the details of the experience they had?

### Jagbir

[6:57 a.m., 2021-04-03] Sunshine and Jagbir:

Yes, it must be in their own words. It is important that they describe ALL of their experiences..... when, where, etc. I know the experiences of the Water of Eternal Life is just mind-blowing, now that more have had the same experiences as Sunshine. What more can I ask on the eve of Easter? Truly, this is a most exciting Age for all of us.

### Shruti

[7:15 a.m., 2021-04-03] +91 91791 05909:

Ok jagbir we will try to collect all the first hand experiences. All those who have experienced the Water of Eternal Life have no idea about its significance. Thanx jagbir for revealing the great significance of this experience.

### Bertrand

[7:41 a.m., 2021-04-03] +237 77329693:

Me since my encounter with the Mother on 2005, I have been experiencing such situation. Water flowing on the fontanelle area, sometimes I even felt like snow on the top of my head.

[7:42 a.m., 2021-04-03] +237 77329693:

Even today. There are moment it just burst without doing anything, so it is an autonomous mechanism.

[1:29 p.m., 2021-04-03] +91 91791 05909:

Jagbir there is one more person (not in the group) who feels stream of The Water at her Sahastrara. She is a simple person she said its like tap water starts on its own every now and than.

### Jagbir

[1:40 p.m., 2021-04-03] Sunshine and Jagbir:

Shivali, the path of THE MOTHER comes after the fruition of countless rebirths. Once HER disciple, SHE will forever rescue you from the depths of Kali Yuga. I, a pariah dog, give You this Vac of the Devi from personal experience.

[1:47 p.m., 2021-04-03] Sunshine and Jagbir:

Shruti, I would really want every experience to be recorded down in greater detail. We can help in the editing or writing down in words if required i.e., we will finalize it, get it approved by the one who experiences it, and then taken it as evidence.

This is such an important task on such blessed days. We have been gifted the Waters of Life Eternal

on the eve of Easter.

I am so happy that such great, great souls have gathered here today. Yes, I know I am with ancient souls who are going to help usher in 2050. There is no question of that now Shruti.

### Shruti

[1:56 p.m., 2021-04-03] +91 91791 05909:

Yes sure jagbir, as now we know the great significance of this precious gift we shall record the evidence in most auspicious way.

[8:37 a.m., 2021-04-04] +91 91791 05909:

Dear all,

Today i had a talk with one more person she told me once she experienced a very intense flow of water over her Sahastrara.It's was like rapid fountain, the force of water was very intense and the experience was such that she lost count of time.

And she experienced water oozing out from her feet (Sahastrara point at feet) as well.

Now also she experiences water at her Sahastrara.

She also told me once in a public programme of self-realization a friend told her that she was feeling like some water coming out of her Sahastrara.

And her daughter as well experienced a rapid and very intense water flow but from her hand's central point (Sahastrara point on her hand).

Talking to people about Waters of Life Eternal is such a blessing on this auspicious day.

Happy Easter to all!!!

Ps. : I have requested everyone who have such experience to write it down for us. I Will share their first-hand experiences soon.

[11:12 p.m., 2021-04-07] +91 91791 05909: Jagbir the people who have experienced the "water" are saying that they have nothing much to say about it as it happened most effortlessly they felt better but they don't know what to say about it.

One of them requested if you can share more about Waters of Life Eternal than may in that context they can explain there experience.

[11:12 p.m., 2021-04-07] +91 91791 05909:

After I came in Sahaja yoga, I have had experienced a water like feeling many times, like once I visited a place when I was looking for a hostel for myself. Then when I entered there, then I felt like a drop of water poured into my Sahastrar. That was a very unique experience. Other than that, when I used to do 'Jal Kriya' and took mantra of 'Samudra Dev' I used to feel water like thing in the finger of my right naabhi. Many times I have felt like there is water (wet feeling), in various parts of my body, like in right side of stomach, even right now in the back of my right heart and in right *bhavsagar*, I am feeling something is wet, like water. I have felt it many times at different chakras in my body and fingers. Sometimes, it is cool breeze and sometimes it is like pulsation in the centre of my palms.

[11:15 p.m., 2021-04-07] +91 91791 05909:

Most of them will be able to write something like this. Please suggest how we can improve on narrating the experience.

[11:18 p.m., 2021-04-07] +91 91791 05909:

Like here what Bertrand shared most have only this much to say.

**May 18, 2007**

**"I felt drops flowing on my face from my Sahasrara."**

**"Nicole said that "I felt drops flowing on my face from my Sahasrara." This has brought back memories of my wife Shindy telling me the same some years ago. i knew she had experienced something extra-ordinary because she is not a person who likes talking about herself. So when she told me a few times that she is feeling drops of 'water' coming out of her Sahasrara, i had to sort of believe her. i said "sort of believe her" to mean that i was looking for evidence to support her claim. The only link was Shri Mataji's claim that when She opened the Sahasrara on 5 May 1970 at Nargol, India a fountain of water issued forth from Her Sahasrara. This unprecedented claim by Shri Mataji was subsequently verified by a third-party witness on 5 May 1994."**

The final evolution of humanity from a physical-matter entity towards a wave-Consciousness eternity is an experience of Heaven on Earth. Bertrand, Shivali, Sunshine and Nicole are the very few who have experienced both the Cool Breeze and Water of Life welling up to eternal life in the Age that has Come because Jesus has been glorified by the SPIRIT-Paraclete\* Shri Mataji.

He who believes in Me, as the Scripture said, 'From his innermost being will flow rivers of living water.'" But this He spoke of the Spirit, whom those who believed in Him were to receive; for the Spirit was not yet given, because Jesus was not yet glorified. John 7:38-39

Jesus answered and said to her, "Everyone who drinks of this water will thirst again; but whoever drinks of the water that I will give him shall never thirst; but the water that I will give him will become in him a well of water springing up to eternal life." John 4:13-14
