Christian phlegm #2: Dr. Rajkumar Ramachandran listens to the *glossolalia* of the Pentecost Father Zig Zagler, and declares at 15.03: “When the Counselor comes—the Holy Spirit wearing a dhoti—he will teach you all things and remind you of all I have taught you.”

This *pariah* dog licks the Baptist phlegm on the Savior’s sandals and growls: “When the Counselor comes—the Holy Spirit **wearing a Sari**—She will teach you, **Didasko!** (14:26), remind you, **Hypomimnesko!** (14:26), testify, **Martyro!** (15:26), prove wrong, **Elencho!** (16:8), guide into truth, **Hodego!** (16:13), speak, **Laleo!** (16:13, twice), declare, **Anangelo!** (16:13, 14, 15) to all who have ears to receive (**lambano**), see (**theoreo**), or know (**ginosko**) the **Last Supper** that brings **salvation for all**, judgment to none. Do you have ears that can hear, Dr. Rajkumar Ramachandran?” (January 18, 2021)
