For nation will rise against nation, and kingdom against kingdom. And there will be famines, endless variants of the End Time pestilence, and earthquakes in various places. All these are the beginning of sorrows leading to the warming of the global warning. See that you are not troubled by the swine deaf of the Savior’s Olivet prophecy: for all these things must come to pass beyond 2050, but the end is not yet. (November 27, 2021)
