Israel's birth [May 14, 1948](#) yesterday and [Adi-Shakti's](#) descend [May 5, 1970](#) tomorrow confirms the [Sanskrit Savior's](#) Quantum Mechanics influence the day after* on the particle-wave [kindergarten](#) of [Mahamoksa](#) today. (October 26, 2020)

* It is the day after May 5, 1970 tomorrow (i.e. the future). For those having ears that hear the Savior through the Comforter, the Resurrection will be a time of great joy of the Age that has Come. It is the future of HALF THE SKY that will be firmly grounded in Quantum Mechanics.
