**Mullahs are fools who know as much about Quantum Mechanics as a camel knows about Al-Qiyamah [The Resurrection]. The rest are just parasites, lice, and mites who feed on the religious illiterate. (March 24, 2021)**

**It will be the sword for any Muslim who has ears for **Jesus**. Isn't that also true Hasan? (March 24, 2021)**

**The Resurrection validates the **human-soul** duality of existence. Jesus validates the spirit-physical duality of the Kingdom of God. The Paraclete-HOLY SPIRIT validates the wave-particle duality of THE MOTHER. Ears that hear validate the samsara death-life eternal duality of the Resurrection. (March 23, 2021)**

For years I was looking for scientific evidence to validate the Resurrection. With Quantum Mechanics I found it. Quantum Mechanics is mind-boggling for the best of scientific minds. The fact that it cannot be understood, but only experienced, by any human only adds to that conviction.

The Resurrection is a daily experience of Quantum Mechanics. So is the Kingdom of God, both within and without. So is THE MOTHER, both within and without.

Those who joined HALF THE SKY last year can now be assured that after nine months all of you are at the highest point of enlightenment ..... and there are years to go further and deeper within yourself.

What I am trying to say is that you have reached a point where you must start abandoning your temples, churches, mosques, synagogues and gurdwaras. You have arrived at a critical crossroad where you must forsake and renounce all priests, pastors, reverends, bishops, popes, rabbis, clerics, *imams, mullahs, shaikhs, ulema, ayatollahs, gurus, swamis, pandits, brahmins, acaryas, bhagwans, granthis, gianis, lamas, monks, dalai lamas*. They are just parasites, lice, and mites who feed on the religious illiterate.

**"Mullah** is derived from the Arabic word *mawlā*, meaning "vicar", "master" and "guardian". However, since this word is used ambiguously in the Quran, some publishers have described its usage as a religious title as inappropriate. The term is sometimes applied to a Muslim man, educated in Islamic theology and sacred law. In large parts of the Muslim world, particularly Iran, Pakistan, India, Bangladesh, Azerbaijan, Afghanistan, Eastern Arabia, Turkey and the Balkans, Central Asia, the Horn of Africa and other parts of the Indian subcontinent, it is the name commonly given to local Islamic clerics or mosque leaders. The title has also been used in some Mizrahi and Sephardic Jewish communities to refer to the community's leadership, especially religious leadership.

*Mullah* and its variation *Mulla* have also degenerated into a derogatory term for a Muslim priest, that connotes a semiliterate, backward, often bigoted village imam. "Although, interestingly enough, the holy Quran stridently denounces priesthood (and this would include mullah-hood, too), the mullahs act virtually as priests, and presume it to be their sole prerogative to interpret Islam." Both Jesus and Guru Nanak were vehemently against the ruling religious elites (of the synagogues and *mandirs*). Today the same parasites rule churches and gurdwaras because the faithful are

fools who do not have the intelligence to understand the Bible and *Guru Granth Sahib* for themselves.

*Pandit parh parh ucha kookdaa maa-i-aa mohi pi-aar.*

The Pandits, the religious scholars, read and read, and shout out loud, but they are attached to the love of Maya.

*Antar barahm na cheen-ee man moorakh gaavaar.*

They do not recognize Brahman within themselves-they are so foolish and ignorant!

*Doojai bhaa-ay jagat parboDhadaa naa boojhai beechar.*

In the love of duality, they try to teach the world, but they do not understand meditative contemplation.

*Birthaa janam gavaa-i-aa mar jammai vaaro vaar. ||1||*

They lose their lives uselessly; they die, only to be re-born, over and over again. ||1||

Let me know if any pandit or *giani* taught you about Brahman, the *Antarjami* within. (I will not insist on Quantum Mechanics as doing so would insult my intelligence.) The same goes for the Paraclete-HOLY SPIRIT within. Let us forget about *mullahs* because you can be beheaded for claiming the Divine resides in you. Isn't that true Hasan?

"God Almighty is distinct from His creation; nothing of Him resides in it,[1] nor is there any of His creation in Him.

This motif has been reiterated by all Muslims theologians to confirm that there is no place in Islam for belief in God being inherent in His own creation, a concept known as God's omnipresence, ubiquity, or pantheism."

[1] Ibn Taymiyyah, Al-Fatwa Al-Hamawyyh Al-Kubra, 370

The declaration by Jesus that the Paraclete-HOLY SPIRIT will reside within the *kaffirs* taking part in the Resurrection is anathema to Muslims. It will be the sword for any Muslim who has ears for Jesus. Isn't that also true Hasan?
