subject: Re: FASCINATING FACTS CONCERNING THE BIBLE

Simon Greenleaf (1783-1853) Greenleaf, (former Atheist), one of the principle founders of the Harvard Law School, and a world-renowned expert on evidence, originally set out to disprove the **biblical testimony concerning the resurrection of Jesus Christ**. He was certain that a careful examination of the internal witness of the Gospels would dispel all the myths at the heart of Christianity. But this legal scholar came to the conclusion that **the witnesses were reliable, and that the resurrection did in fact happen**. Being a man of conviction and reason, and in accordance with his conclusions, Greenleaf converted from Agnosticism to Christianity. [emphasis Jagbir's]

Ralph Muncaster, (former atheist) in his book: *Examine the Evidence*, presents extensive evidence to validate the truth-claims of Christianity. He provides compelling arguments from science, biblical prophecy, history, and archaeology. This former skeptic points out that **of all religions and philosophies on earth, only one, Christianity is verifiable and testable**. [emphasis Jagbir's]

1,456 hours of Sunday school and church turned Ralph Muncaster into a hard-core atheist. Then he was challenged to honestly investigate the Bible and the facts of modern science. He was stunned. Fact after fact, from biology, history, archaeology, physics, lined up with the Bible's account!

The Bible Itself Argues Against the Possibility of Its Corruption

The charge that the Bible has been corrupted, contradicts what the Bible itself teaches. After all, in Isaiah 40:8 we read, "The grass withers and the flowers fall, but the word of our God stands for ever." **In the New Testament Jesus says, "Heaven and earth will pass away, but my words will never pass away" (Matthew 24:35)**. [emphasis Jagbir's]
