**After bowing down and exchanging greetings, he asked the [Great Mater Purissima](#) (Purest Mother) if SHE would grant permission. SHE gave HER blessings with a reminder that this intuitive [Knowledge](#) was especially for HER devotees. ([April 2, 1995](#))**

**Standard One was Jesus and the Resurrection in the Age that has Come. Standard Two is about that Consciousness whose scientific name is "Quantum Mechanics." All else is the *avidya* of the patriarchal empires rendered impotent by THE MOTHER. ([June 5, 2021](#))**

Since 1993 I have continued buying books related to the advent of the Paraclete Shri Mataji completing the message of Jesus and commencing the Resurrection. Today I have a library of over a hundred books, the latest being *Sourcebook of the World's Religions*, *The Hidden Gospel: Decoding the Spiritual Message of the Aramaic Jesus*, and *God: The Most Unpleasant Character in all Fiction*.

Then there is also a digital library of another hundred-plus books dealing with Quantum Mechanics, Consciousness, Universe, and Divine Feminine, compliments of Shruti.

Since we are now in Standard Two: Consciousness I have decided to start extracting from these books and raise the bar. There will also be more from *Shri Adi Shakti: The Kingdom of God* as it is specifically for devotees of THE MOTHER—the *Antaryami* within, the Devi within, the Comforter within, your Self within—who is beyond the reach of all religions:

“On April 2, 1995, at 11.20 a.m. Kash was told to obtain permission from the Great Universal Mother to reveal the Truth. He meditated and emerged through the clouds into the Land of Eternal Life. The Primal Light shone ever so brightly from above as the HOLY SPIRIT OF GOD sat in Bliss and Joy. After bowing down and exchanging greetings, he asked the [Great Mater Purissima](#) (Purest Mother) if SHE would grant permission. SHE gave HER blessings with a reminder that this intuitive [Knowledge](#) was especially for HER devotees.

It was at this point that the actual compilation of his spiritual journeys began in earnest. Kash was questioned practically every day, sometimes repeatedly, to clarify and confirm what he saw, heard, thought, spoke, smelled, touched, and tasted. Often questions were asked suddenly when he least expected just to get him off-guard to confirm consistency. All answers came with a calm and nonchalant attitude, without contradiction.” (Singh, 1999, 98)

The *avidya* (ignorance, misconceptions, misunderstandings, incorrect knowledge) of the patriarchal fathers—priests, pastors, reverends, bishops, popes, rabbis, clerics, imams, mullahs, shaikhs, ulema, ayatollahs, gurus, swamis, pandits, brahmins, acaryas, bhagwans, granthis, gianis, lamas, monks, dalai lamas—will be used against the patriarchal synagogues, churches, mosques, mandirs, gurdwaras and temples to break their millennia-old hold over HALF THE SKY.

I will also try to end future posts with quotes from books about the Pentecost Father, the Prince of this World who continues to rule over and corrupt the world.

From the infallible Bible of the Pentecost Father

**“I’m not finished until I’m finished”**

EZEKIEL 24:13: “Because I would have cleansed you and you were not cleansed from your filthiness, you shall not be cleansed any more **till I have satisfied my fury** upon you.’ RSV (Baker, 2016, 246)

**You can eat grasshoppers and beetles, but no insects with four feet**

LEVITICUS 11:20-23 “All winged insects that go on all fours are detestable to you. Yet among the winged insects that go on all fours you may eat those that have jointed legs above their feet, with which to hop on the ground. Of them you may eat: the locust of any kind, the bald locust of any kind, the cricket of any kind, and the grasshopper of any kind. But all other winged insects that have four feet are detestable to you.” RSV (*Winged insects with four feet?*) (Baker, 2016, 27)
