**Shukria Barakzai, I witnessed the BEAUTY of Afghanistan in 1971. Women with ears that can hear will witness the return of THE DIVINE FEMININE when this nightmare ends in 2050. (August 30, 2021)**

**Only those who have ears that can hear will have minds that can project the Consciousness required for the Quantum Mechanics of the Resurrection to manifest. (August 30, 2021)**

NOTE: I just downloaded the VW Kombi pictured at the "[Hippie Trail](#)" link and the jpg has a message for all women.

NOTE: I passed through Afghanistan on my journey to Europe in 1971. I stayed in Kabul for about three months and met a most hospitable people living in a land of great beauty. As an aspiring hippie trying to hitch-hike all the way to Germany, Kabul was an eye-opener for counter-culture youth in the prime of their lives.

For a mere US\$100 I bought an old VW Kombi that had made its way all the way from Amsterdam. The [Hippie Trail](#) was one of the most memorable of my life.

Gmail - HALF THE SKY: Shukria Barakzai, I witnessed the BEAUTY of Afghanistan in 1971.

(I met a hippie at the Iran-Turkey border who was fasting for 40 days and returning to Lyons, France to become a priest and start a ministry as he had a vision of Jesus in Pakistan while living with a very poor Muslim family. Yes, he did fast for 40 days only on water and I witnessed him breaking fast in Rome, Italy over soup and garlic spaghetti.)

50 years have passed, and I am now on the dream journey of my life—the Trek into the Universe. Only HALF THE SKY can make it is available to all by 2050. Only those who have ears that can hear will have minds that can project the Consciousness required for the Quantum Mechanics of the Resurrection to manifest.

It will manifest because 20 centuries ago Jesus declared that "Heaven and earth will pass away, but my words will never pass away." Those protected by His line in the synagogue sand will make sure His words do not pass away in vain (as has been the case for [the last 50 years](#)). Amen.
