19417 Outlook Magazine: "She claimed she was the incarnation of the Adi Shakti."

adishakti\_org Today at 10:38 AM

Note: So sure is Sudhir Kakar that Shri Mataji is a con-woman masquerading as a divine personality, an incarnation of the Adi Shakti, that he attacks Her signature trademark - the Cool Breeze. One must read the entire Chapter 7: *Cool Breezes: The Cult of Shri Mataji* to see how the most sacred of self-confirmation of being born of the Holy Spirit within is alluded to some "sea breeze coming in through the open windows and gently ruffling my hair seemed to be part of Mataji's ministrations".

Today I found a magazine where Shri Mataji's photo appears with the caption "Founded the religious movement called Sahaja Yoga. She claimed she was the incarnation of the Adi Shakti."

[http://adishakti.org/Yahoo\\_Forum/Outlook-She\\_claimed\\_she\\_was\\_the\\_incarnation\\_of\\_the\\_Adi\\_Shakti.pdf](http://adishakti.org/Yahoo_Forum/Outlook-She_claimed_she_was_the_incarnation_of_the_Adi_Shakti.pdf)

The subtle system foundation on which Sahaja Yoga stands and advertises itself has always been used to ridicule and reduce Shri Mataji to just another god-woman like Amma. She is mocked as a woman who has joined a particularly male godmen club with illustrious names like Satya Sai Baba, Osho Rajneesh, Baba Ramdev, Maharishi Mahesh, Asaram Babu, Kalki Bhagvan, Chandraswami and so on.

But no false-guru buster has yet challenged the Paraclete's advent and Her declaration of the Resurrection ..... and 48 years have passed. Neither have the far more fanatical followers and critics of Judaism, Christianity and Islam. Nor have the gentler Shakti worshippers of Hinduism. (The Sikhs have yet to discover their Aykaa Mayee.)

I have just read a February 2003 post that reads:

"In one of Her talks from the early eighties She said "I am not going to leave any holes this time" and something else to the effect of it will either be perfected or everything will all be destroyed but this incarnation is not going to result in a false religion."

Today that means a lot. Shri Mataji has, through [www.adishakti.org](http://www.adishakti.org), made sure that "this incarnation is not going to result in a false religion."

regards,

jagbir
