Up-to-date current and BRIEF commentaries on Rome and view on religious news around the world.

Feature Article[The Naive And The Nefarious](#)

by Dr. Ian R.K. Paisley, 8/7/2001

This article highlights the Roman Catholic Church's smile at the Church of England's naivety, and the Church of Rome's hidden agenda as reported under the headline, 'The C of E Naivety on Unity', by one of its own, in a Roman Catholic Newspaper. Generally we consider the 'ecumaniacs' of the Church of England, Church of Ireland and others, to have a misplaced longing to be partners with the 'Church of a Different Gospel - named ROME'. The Roman Catholic Church itself is contrary to the Word of God and any dalliance with it, must also be contrary to the Word of God and naive.

Other Articles[O'Neill's Paradise Fauled](#)

by Dr. Ian R.K. Paisley, 7/30/2001

Monsignor Denis Faul has described as distasteful and blasphemous a poster depicting Celtic manager, Martin O'Neill, as the BVM; his face being superimposed over a picture of Mary in flowing robes, hovering over the club's Parkhead ground known as 'Paradise' - SVP.

[Choi Carp or Censorial Cavil](#)

by Dr. Ian R.K. Paisley, 7/26/2001

Choice words from a Korean archbishop has warned Roman Catholics against helping or joining a group, whose claims to Marian miracles have been rejected by the Church of Rome. Archbishop Choi has sent to all his parishes, a letter which asks Roman Catholics to 'obey the magisterium'. He indicated that any disobedience would be punished and that such persons would not be seen as being 'appropriate to undertake official duties in the Church'.

[Taking The Biscuit Or The Mickey!](#)

by Dr. Ian R.K. Paisley, 7/23/2001

It would appear that not even the church mouse considered the wafers to be a tasty morsel. Such a fuss over a piece of wafer highlights just one of the unbelievable things the Church of Rome propagates as truth.
