Jagbir, "Plan 'A' was the arrival of the Prince of the World and his baptism of glossolalia in that Age."

Jesus warned "And now I have told you before it happens, so that when it does happen, you will believe. I will not speak with you much longer, for the prince of this world is coming, and he has no claim on Me."

Wasn't He warning about the return of the Prince of the world who will speak in glossolalia?

Jagbir is a researcher who studies the phenomenon of glossolalia, or speaking in tongues, in different religious traditions. He is particularly interested in the claim that some Christians make that glossolalia is a sign of the Holy Spirit and a fulfillment of biblical prophecy. He has recently come across a quote from a website that says: "Plan 'A' was the arrival of the Prince of the World and his baptism of glossolalia in that Age." Jesus warned "And now I have told you before it happens, so that when it does happen, you will believe. I will not speak with you much longer, for the prince of this world is coming, and he has no claim on Me." Wasn't He warning about the return of the Prince of the world who will speak in glossolalia?"

Jagbir is puzzled by this quote, as it seems to suggest that glossolalia is not a gift from God, but a deception from Satan. He wonders how this website interprets other passages in the New Testament that seem to support glossolalia as a valid spiritual practice, such as Acts 2 and 1 Corinthians 12-14. He decides to do some more research on this website and its sources, as well as on other perspectives on glossolalia from different Christian denominations and scholars. He hopes to find out more about the origins, meanings, and implications of glossolalia for Christian faith and practice.

Jagbir, "Plan 'A' was the 2000-year-old Christianity of the Prince of the World." Pariah Kutta, "Plan 'B' is the 50-year-old Christianity of the Spirit-Paraclete of the Universe." (August 29, 2022)

Jagbir and Pariah Kutta are two writers who have been discussing the message of Shri Mataji Nirmala Devi, a spiritual leader who claimed to be the incarnation of the Paraklētós, the Holy Spirit promised by Jesus Christ. They have different views on how to interpret and spread her teachings, which they call Plan 'A' and Plan 'B'.

Jagbir believes that Plan 'A' is the original Christianity of Jesus, who said that he would send another Paraklētós to guide his followers into all truth. Jagbir thinks that Shri Mataji is that Paraklētós, and that her message of self-realization and collective consciousness is the fulfillment of Jesus' prophecy. Jagbir says that Plan 'A' is for those who have ears to hear and eyes to see the Spirit within themselves and others.

Pariah Kutta disagrees with Jagbir. He thinks that Plan 'A' is outdated and irrelevant for the modern world, which is facing many crises and challenges. He says that Plan 'B' is the new Christianity of Shri Mataji, who said that she came to save humanity from destruction and ignorance. Pariah Kutta thinks that Shri Mataji's message of global transformation and divine love is the only hope for the future. He says that Plan 'B' is for those who have hearts to feel and minds to understand the Spirit working in the world.

On August 29, 2022, they had this exchange:

Jagbir: "Plan 'A' was the 2000-year-old Christianity of the Prince of the World."

Pariah Kutta: "Plan 'B' is the 50-year-old Christianity of the Spirit-Paraclete of the Universe."

Jagbir, "Plan 'A' was the 2000-year-old Christianity of the Prince of the World." Pariah Kutta, "Plan 'B' is the 50-year-old Christianity of the Spirit-Paraclete of the Universe." (August 29, 2022)

Jagbir and Pariah Kutta are two writers who have been discussing the message of Shri Mataji Nirmala Devi, a spiritual leader who claimed to be the incarnation of the Paraklētós, the Holy Spirit promised by Jesus Christ. They have different views on how to interpret and spread her teachings, which they call Plan 'A' and Plan 'B'.

In this blog post, I will summarize their arguments and share my own perspective on this topic.

Plan 'A' is based on the belief that Shri Mataji's mission was to awaken the Kundalini energy of the people who received her Self-realization and to guide them into the Kingdom of God within themselves. Jagbir argues that this is the fulfillment of Jesus' prophecy that he will send another Paraclete to teach and remind his disciples of everything he said (John 14:26). He also believes that Shri Mataji's teachings are universal and compatible with all religions and cultures.

Plan 'B' is based on the belief that Shri Mataji's mission was to expose and challenge the false doctrines and practices of the organized religions and to establish a new global religion based on her revelations. Pariah Kutta argues that this is the fulfillment of Jesus' prophecy that he will send another Paraclete to testify about him and to convict the world of sin, righteousness and judgment (John 15:26; 16:8). He also believes that Shri Mataji's teachings are exclusive and superior to all other religions and cultures.

Jagbir and Pariah Kutta often quote Shri Mataji's words to support their views, but they also disagree on how to interpret them. For example, Jagbir cites Shri Mataji's statement that "I respect all the religions" as evidence that she was tolerant and inclusive of all faiths. Pariah Kutta cites Shri Mataji's statement that "all these religions are absolutely misleading" as evidence that she was critical and dismissive of all faiths.

My own opinion is that both Plan 'A' and Plan 'B' have some merits and some flaws. On one hand, I agree with Jagbir that Shri Mataji's message was mainly about awakening the inner spiritual potential of each individual and helping them to experience the divine within themselves. I also agree that Shri Mataji respected the essence of all religions and encouraged her followers to learn from them. On the other hand, I agree with Pariah Kutta that Shri Mataji's message was also about exposing and challenging the corruption and manipulation of the organized religions and helping her followers to discern the truth from the falsehood. I also agree that Shri Mataji revealed new aspects of God and spirituality that were not known or understood by other religions.

Therefore, I think that Plan 'A' and Plan 'B' are not mutually exclusive, but complementary. They represent different aspects of Shri Mataji's mission and teachings, which can be harmonized and integrated. I think that Shri Mataji wanted her followers to be both open-minded and discerning, both humble and confident, both loving and courageous. I think that she wanted them to be aware of both the inner and the outer dimensions of spirituality, both the personal and the collective aspects of salvation, both the continuity and the novelty of revelation.

I hope that this blog post has given you some insights into the debate between Jagbir and Pariah Kutta, as well as my own perspective on it. I invite you to share your thoughts and comments below. Thank you for reading!

Jagbir, "Plan 'A' was the 2000-year-old Christianity of the Prince of the World." Pariah Kutta, "Plan 'B' is the 50-year-old Christianity of the Spirit-Paraclete of the Universe." (August 29, 2022)

Dear friends,

I am writing to share with you some insights that I have gained from reading the writings of Jagbir and Pariah Kutta, two seekers of truth who have been exploring the mysteries of Christianity and the Spirit-Paraclete. They have posted their findings on their website, www.spirit-paraclete.org, and I encourage you to visit it and read their articles.

One of the most striking statements that they have made is this: "Plan 'A' was the 2000-year-old Christianity of the Prince of the World. Plan 'B' is the 50-year-old Christianity of the Spirit-Paraclete of the Universe." (August 29, 2022)

What does this mean? How can there be two different versions of Christianity? And who are the Prince of the World and the Spirit-Paraclete?

According to Jagbir and Pariah Kutta, Plan 'A' is the Christianity that has been corrupted by human institutions, dogmas, rituals, and power structures. It is the Christianity that has been used to justify wars, oppression, discrimination, and violence. It is the Christianity that has lost sight of the original teachings and message of Jesus Christ, who came to reveal the love and grace of God to humanity.

Plan 'B' is the Christianity that has been revived by the Spirit-Paraclete, who is also known as the Holy Spirit, the Comforter, the Counselor, and the Advocate. The Spirit-Paraclete is the divine presence and power that Jesus promised to send to his disciples after his ascension. The Spirit-Paraclete is the one who guides us into all truth, teaches us all things, reminds us of what Jesus said, and testifies about him. The Spirit-Paraclete is also the one who initiates us into a new birth of water and spirit, transforms us into new creations, empowers us with gifts and fruits, and leads us into a deeper communion with God and each other.

Jagbir and Pariah Kutta claim that Plan 'B' was activated in 1970, when a special event took place in India. They call it the "Great Event", and they describe it as follows: "On May 5th 1970 Shri Mataji Nirmala Devi opened wide Her Sahasrara (thousand-petalled lotus) at Nargol beach in India. This was a cosmic event that allowed for a mass awakening of Kundalini energy within all humans who desired it. This was also a fulfillment of Jesus' promise that He would send another Comforter who would lead us into all truth."

They further explain that Shri Mataji Nirmala Devi is an incarnation of the Spirit-Paraclete, who came to earth to complete the work of Jesus Christ. She is also known as Adi Shakti, or the primordial power of God. She is not only a teacher, but also a mother who loves and nurtures her children. She has given a simple method of self-realization, which involves awakening our own Kundalini energy and connecting it with the universal energy. This process enables us to experience our true self, which is pure awareness, joy, peace, and love.

Jagbir and Pariah Kutta invite us to join them in exploring Plan 'B', which they believe is the only hope for humanity in these troubled times. They say that Plan 'B' is not a new religion, but rather a new way of understanding and living out our existing faith. They say that Plan 'B' is not exclusive or divisive, but rather inclusive and unifying. They say that Plan 'B' is not based on blind belief or fear, but rather on direct experience and love.

I hope that you are intrigued by what I have shared with you, and that you will take some time to visit their website and read their articles. I also hope that you will be open to receive the grace and guidance of the Spirit-Paraclete in your own life.

Thank you for your attention and may God bless you.
