**The spiritual dawn of Consciousness and [Quantum Mechanics](#) will lead humanity to finally venture out of their centuries-old religious caves and collectively embrace the Observer within themselves. (September 26, 2019)**

"You see, the Holy Ghost is THE MOTHER (Observer). When they say about the Holy Ghost, She is THE MOTHER. Now, the principle of MOTHER is in every, every scripture — has to be there. Now, THE MOTHER's character is that She is the one who is the Womb, She is the one who is THE MOTHER Earth, and She is the one who nourishes you. She nourishes us. You know that. And this Feminine thing (Observer-*Antarjami*) in every human being resides as this Kundalini."

**THE MOTHER:** Messiah-Paraclete-Ruh-Devi  
Radio Interview, Santa Cruz, USA—Oct 1, 1983

NOTE: We will over time revisit and discuss all 9 chapters of this nearly 6-hour long Audiobook of Joseph Selbie's book, *The Physics of God*.

Since the Observer is feminine, I cannot emphasize enough how important it is for HALF THE SKY to slowly over the weeks listen to this priceless pearl. It will advance us to Standard Two of Quantum Mechanics.

**With Quantum Mechanics, THE MOTHER takes you back to Standard One. Those who have ears for 1.22.40 will advance to Standard Two: The particle-wave Resurrection into the Kingdom of Consciousness. ([December 12, 2020](#))**

Please listen [52.00-54.45](#) and [1.13.07](#) first, before deciding to start the Audiobook of *The Physics of God*.
