"When even Christ was fasting in the desert, Satan tried to tempt Him by offering Him the kingdom of the world." "So, in this age of Kaliyuga they are once again back in the flesh, but this time they have come in the garb of religion as false gurus and fake yogis." "Without Divine awakening we cannot end the psychological chaos created by these reincarnated demons." The DEVI has a feminine name for the Prince of Darkness: Maya! (February 5, 2021)

February 6, 2021

This is going to be a difficult post to grasp since it is about something I really never paid any attention until the last post "Jesus resisted Satan for 40 days ..." It made me wonder: Is Satan that real and powerful that even the Paraclete talked about being overpowered and possessed by an invisible entity?

I did not take Shri Mataji's warnings seriously because Her disciples spent months, years, and decades doing ritualistic treatments getting rid of *bhoots* (evil spirits). For me even a single ritual is one too many and if two do not work, useless. (I will never budge because over the years I have known that the Mother Kundalini heals instantly if you surrender all your problems to Her.)

I had another reason to be skeptical of *bhoots* — few have really seen one. I have seen one. Thus I can write about this Malevolent Entity since I experienced the angry spirit of a murdered millionaire in 1976/77 when he sat on my chest after I dared sleep in his bedroom (and almost three people got drowned at the huge mansion I was guarding at Jalan U Thant, Kuala Lumpur, Malaysia.)

Given that harrowing experience, I always doubted as to what Shri Mataji meant by being possessed by *bhoots*.

But over the last few days, I am awakening and getting an insight as to how the Prince of Darkness has been operating for the last 2000 years. I have extracted from one of the many talks Shri Mataji had on this subject of "Satan."

"The lowest strata contains satanic and exceedingly cruel spirits. They enter many times into the conscious minds of living human beings.

Many were killed by Durga, the ferocious Avatar of Adi Shakti, and some were cursed to remain as lower animals in hell. Hell has seven layers which have been described in many ancient scriptures. Though many of these devils were destroyed physically so many times some of them take human rebirth before the advent of every Incarnation. So in this age of Kaliyuga they are once again back in the flesh, but this time they have come in the garb of religion as false gurus and fake yogis. They will all be exposed one by one through their own ill-doing by Adi Shakti Herself who has incarnated as Mahamaya (the Great Illusion). ...

They are satanic and bring forth the demonic play of Evil on this earth. They are hurled by Shri Ganesha into the collective subconscious, and later into hell. But those who are not fully destroyed incarnate again and again. They will be finally destroyed at the end of this cycle of creation, when eleven destroying forces (Ekadesha Rudras) will issue forth from the forehead of Kalki (Jesus Christ)...

God and moneymaking are totally incompatible. Given that fact, it is noteworthy that most religions have been reduced to socio-economic clubs, while most cults and sects are led by

satanic, sinful and deceptive individuals....

Tantrikas belong to Satan's tribe and can be born as despots, psychologists or as great scientists. They entice thousands of people through their lectures, and even induce nations to wage wars against other countries founded on a moral or spiritual religious base. In these modern times there are many such personalities who have incarnated in India and the West....

It is high time for people to wake up to the truth about themselves and their realms which lie outside the bounds of human awareness. Without Divine awakening we cannot end the psychological chaos created by these reincarnated demons."

The Paraclete Shri Mataji (First Book)

The Resurrection is waking me to the fact that Satan is real, exceedingly intelligent, firmly entrenched, and yet invisible! I am just beginning to understand this: **"30 I will no longer talk much with you, for the ruler of this world is coming."** The warning and awakening: the Ruler of this World will come after Jesus leaves. And that is exactly what happened.

Since Jesus had already promised at the Last Supper to appear again as the 'Paraclete' in the Age to Come, he does not interfere when the Ruler of the World appeared at the Pentecost.

The Evil One reigned supreme in that camouflage for the next 2000 years. Today this awakening makes so much sense:

"4.1 Now the Spirit expressly says that in later times some will depart from the faith by devoting themselves to deceitful spirits and teachings of demons."

Today we can see the Prince of Darkness many forms morphing in the minds of men oblivious to the Comforter who walked amidst them for 40 years:

Donald Trump, Proud Boys, January 6, 2021, Mossack Fonseca, *kaffirs*, Biafra, *theoreo* (see the Paraclete Shri Mataji), Facebook, Gamestop, Wailing Wall, Jim Jones, Kaaba, porn, Dalits, dowry, *martyro* (nations will hear **testimonies** of the Paraclete), Pentecost, irritating mother-in-law, Islam only true religion, *ginosko* (people will **know** the Paraclete), Whatsapp gossip, Wall Street, Black Friday, *hodego* (Paraclete will **guide into truth**), death penalty, IRA, Yahweh is God-Almighty, cow worship, *FGM*, child brides, Taliban, *lambano* (seekers will **receive** Shri Mataji in Europe, Asia-Oceania, North or South America), gossip, capitalism, 1%, Treblinka, *Petra or Mecca?*, Golden Temple, Panama Papers, North Korea, Allah is God-Almighty, *Catholic sexual abuse*, Matthew 24:14, Amma, *An Naba*, recession, *Mahathir*, global warming, *didasko* (Paraclete will **teach** about Jesus again), mortgage, suicide squad, blood diamonds, Black Lives Matter, credit card debt, Bitcoin, rise of far-right extremism, *72 houris Jannah*, Kargil, Aykaa Mayee, Babri mosque, abortion rights, *elencho* (the Church(es) **proved wrong** by Shri Mataji), *sword of Kalki*, Akali Dal, Arnab Goswami, ISIS *jizya*, Mexican wall, drone strikes, *hypomimnesko* (people **reminded** of Jesus), Kashmir, Quran 9:28, love *jihad*, *haram Kingfish*, Big Boss 14, Sinaloa cartel, femicide, slums, plastic pollution, QAnon, assassination of Mohsen Fakhrazadeh, Tigray, caviar, credit score, match-fixing, divorce, Indian farmers protests,,,,,, *Messianic deliverance*, deforestation, Palestine, mass graves, teen mothers, cocaine babies, coups, mass graves,,,, *Israel 1948*, Epstein, Brexit, oilsands, residential school survivors, Ilhan Omar, virus mutation,,,,,, *laleo*, (Paraclete will **speak** on Jesus' behalf), GM recall, gambling addiction, AK-47s, Artificial Intelligence,,,,,, *Ma Adi, Hidjra 1923*, Uyghurs, fake news, breast implants, drug-overdoses,,,,,, *Bethlehem birth*, insider trading, Meng Wanzhou,,,,,, *ears that will hear* after twenty centuries, diabetes, solitary confinement, gerrymandering, Khashoggi,,,,,, the *Winds of Al-Mursalat* (Those sent forth to declare Message), World of Whorecraft, obesity, anorexia, greenhouse gas emissions, transgender,,,,,, and, finally, *anangelo* (Paraclete will **declare** boldly and openly in public),,,,,, the *Euangelion* (Good News of the Resurrection and life eternal) in the *Age that has Come*.

The Savior met a fearsome, extremely intelligent, and a persuasive adversary who even convinced Christians by conversing in *glossolalia*. We must give kudos to him.

Despite decades of the Paraclete attempts to declare the Truth that will set humans free from the Ruler of the World, his power continues to grow. The next 30 years will determine if this promise of the Savior will be fulfilled as promised:

"31 Now is the judgment of this world; now will the ruler of this world be cast out."

The Savior is talking about the future Age to Come, where his message of the Resurrection and Kingdom of God will be declared by the Paraclete.

Shri Mataji took 40 years to complete the message of Jesus that was cut short after just three. At the Last Supper Jesus promised that in the Age to Come the Ruler of the World will be cast out. We are living in that Age where this formidable task will have to be fulfilled and is beginning to be done.

Unlike Christians, Satan has ears that hear and understands his avowed adversary Jesus far better than his disciples. He knew perfectly what Jesus promised at the Last Supper, and immediately neutralized that promise of the Paraclete on Pentecost. Therefore, for emphasis and clarity that we are facing the same adversary today as Christ did:

"It is high time for people to wake up to the truth about themselves and their realms which lie outside the bounds of human awareness. Without Divine awakening we cannot end the psychological chaos created by these reincarnated demons."

The Paraclete Shri Mataji

The question: Was Divine awakening not possible for the last 50 years because of the psychological chaos created by reincarnated demons?

The answer: It was not possible, and will never be possible, until and unless you have ears that can hear in the Age that has Come!
