With Quantum Mechanics, THE MOTHER takes you back to Standard One. Those who have ears for 1.22.40 will advance to Standard Two: The particle-wave Resurrection into the Kingdom of Consciousness. (December 12, 2020)

December 13, 2020

I will make this an exceptional explanation of the above i.e., I will be influencing HALF THE SKY's interpretation.

No future request for interpretation should be made because it will hamper attaining a better and higher experience of the Age that has Come. That experience is the familiarization with Your-SELF and the daily comfort HER *hodego* (guidance) brings. It is a personal, intimate connection with your own, *individual* MITOCHONDRIAL MOTHER that has journeyed with you from the primordial [Ocean of Creation](#) billions of years ago.

(I had to make this interpretation exception because it is the only way for atheists in communist China, Russia, Vietnam, or elsewhere to understand the Universe. For the religious, the Resurrection will make sense if we are able to identify it with something scripturally substantial, a form as Buddha or Shri Mataji is verifiable. But that approach is not possible in communist countries because for them "God" is anathema, and rightfully so. That [Communism and religion cannot co-exist](#) is a Gift to HALF THE SKY!

The only way for THE MOTHER to overcome this death struggle between believers and atheists would be to present HERSELF as THE UNIVERSE. The Resurrection of the Paraclete awakens the living — the highest species of Consciousness on Mother Earth — to evolve. Communism and the particle-wave Consciousness of Quantum Mechanics is far better than the Pentecost fabrications of all religions, barring none. THE MOTHER and THE UNIVERSE are one and the same. Atheists can pick the scientific latter over the scriptural alternative. Both alternatives are for the 2050 HALF THE SKY.)

All you need are ears that can hear. There is no need for my interpretation since the entire Universe of Consciousness (The Kingdom of the Vast Mind) also exists within you. Awakening is immensely rewarding as it begins to rouse you to an incredibly awesome and mind-boggling Reality that 1.22.40 postulates. Living while awake is so different from living as mere living as a rat-race-dog-eat-dog species does not include the deep comfort of daily experiencing the Resurrection of the Paraclete and spreading it to all peoples and nations. There is no higher honor than being the awakening 0.1 % who today bears witness with the Paraclete to Jesus being taken down:

After a two-thousand-year-old [crucifixion](#), Jesus is ready to be taken down for the Resurrection. (September 1, 2020)

I must remind you that Standard One — which I am still stuck due to its continuously unraveling Beauty — is all about Quantum Mechanics only. There is no other subject.

Standard Two starts when the Resurrection begins to make so much scientific sense to the 0.1 % here at HALF THE SKY. 1.22.40 and the clarity of my childhood mantra will awaken, *eventually*: "To do the impossible you must first see the invisible."

There are so many ways that [ears of the living are unable to hear](#) in 2020. It is beyond comprehension why hundreds of thousands have been unable to hear since May 5, 1970, unless you awaken to the 1001 ways the modern life of the last 50 years has disintegrated the human mind.

If I could give you one example it would be Trump and the millions of Americans who believe he won the election. Trump is the apex of the tip of the iceberg, the Pentecost pinnacle of America, the land “especially chosen by God and raised by God to be a ‘Christian Nation’ bringing the whole world to God and the American way.”

Just below Trump is [Imran Khan, Erdogan, and Mahathir](#) versus the Church(es) and Temple(es). And below that is the 1% which includes drug cartels, human trafficking, prostitution and porn industry, politicians, investors,,,

The billions of mass disintegrated minds form the remaining iceberg; those living in the mass hypnosis of materialism and Allah Akbar ideology.

I must admit to occasionally falling victim to this mass hypnosis of the living. For the past few days, I have been unable to complete the final part of the Pentecost fabrication due to my mechanic tampering with the family car and handing me a \$2000 repair estimate. If my mind still disintegrates — a defect I am still unable to overcome after more than 25 years — the vast majority will not have ears that can hear. That 99.9 % did not hear the Paraclete's “gospel of the kingdom [that was] preached in the whole world as a testimony to all the nations” since the 1970s is proof. For those who have ears: Only those who persevere till the end will continue hearing.

My experience tells me that the situation is in fact direr: the vast majority will not have ears that *want to* hear. They are not interested in ‘satanic teachings.’ That is what twenty centuries of Pentecost indoctrination does to Christian ears. This Pentecost-like fabrication is in every religion. The Islam of Kaffirs of the Kaaba is the same as the Christianity of glossolalia Pentecost. Centuries of mass indoctrination and fear that when the Hour comes and graves burst open, even the cruelest of ISIS executioners will cringe at the insanity and brutality of their patriarchal god's mass barbeque that will make Auschwitz a hot-dog stand.

(Yes, the fear of this Eternal BBQ paralyzes the mind that Satan is tricking them. Muslims, in particular, are intensely terrified of [him](#). Yes, this Evil Entity is masculine and will revisit my experiencing him in 1977 on another day.)

Right now, as I write this line, my ears again hear, “But the one who perseveres to the end will be saved.” Jesus speaks again through the Paraclete for those who have ears to hear him again after the Last Supper. i.e., after two millennia!

I googled “[Shri Mataji talks about Jesus Christ](#).” I could not be more pleased with the #1 choice for those ears hearing the Savior again. #1 is also about irrefutable evidence that the Paraclete did *martyro* (testifies 15:28) against the religion of the Mafia—the Church(es) of Pentecost Christianity. She also testified openly just like Jesus did millennia ago. The Paraclete did so with a relentlessness that no other incarnation did, except Jesus. (But for the courage and fearlessness displayed in the face of the powerful priestly establishment and crucifixion-like penalties for blasphemy, there is just no equal by a far, far huge chasm. It would insult intelligence. The Amazon Prime documentary [The Gospel of John](#) made that abundantly clear.)

Hypothetically speaking, is Jesus talking directly to you today Alejandra even though you were born after? This is not a question to be answered but be first understood by imagining it as a possibility rather than a reality; as a hypothesis. Just think I imagined it for the sake of awakening. Just imagine for a minute it is not true for the simple reason that it is impossible to hear Jesus speak again centuries later; unless, of course, if he came back as a human being. Or as the Paraclete, Comforter, Advocate, Counsellor, Redeemer, Holy Spirit he described at the Last Supper.

But what if I say this is no hypothesis, Alejandra? What if I say this is an absolute reality that, due to the 2000-year-old mass-indoctrination of the [Pentecost fabrication](#), it can be only put forward first as a hypothesis, and then a fact? What if I say the Last Judgment and Resurrection is taking place exactly as promised by Jesus?

What if I say that it is only yesterday while watching the Amazon Prime documentary [The Gospel of John](#) with Sunshine, that I found evidence to back my audacious [HALF THE SKY](#) claim made a

few weeks ago that there will be no judgment for those taking part in the Resurrection today?:

“Very truly I tell you, whoever hears my word and believes him who sent me has eternal life and will not be judged but has crossed over from death to life.” John 5:24 [emphasis ours]

What if I say that Jesus has kept his 2000-year promise that you will hear him *didasko* (teach) again, even though you were not born yet; that even Ralia or Magnedith or SokunAneesa, who were born after the Paraclete died 2011, will hear the Savior speaking to them? that HALF THE SKY will have ears that will hear in 2050?

What if I say that no matter what, those who have ears in the Age that has Come will hear him speaking through the Paraclete Shri Mataji? What if I say Jesus has cornered the **Jew\$ of the Tel Aviv brothels**, the patriarchal **Mammon of chri\$tian AmeriKKKa** and the **Kaffirs of the Kaaba**, and subdued them into utter silence and impotence.

What if I say Jesus has castrated the patriarchal gods of all religions so that only HIS MOTHER remains triumphant? What if I say that indeed the Savior has accomplished what he declared: “Look MOTHER, I make all things new?”

and ears have *finally* begun to hear after 2000 years of the Pentecost fabrication and 50 years of the subtle system fabrication?
