To Sir C.P.,  
To Sadhana Didi  
To Kalpana Didi

Highly respected Sir C.P.,  
Dear Sadhana Didi and Kalpana Didi,

On the behalf of all the Sahaja yogis of Ukraine, we would like to offer You an apology for the actions of WCASY's ex-members. We are really sad with the fact that the World Council became the source of turmoil in the Sahaj collectivities around the world.

Highly respected Sir C.P., Sadhana Didi and Kalpana Didi, on the behalf of all the Sahaja yogis of Ukraine, we would like to express our love, respect and great gratitude for taking care after the physical health of Our Mother as well.

We are grateful to Shri Adi Shakti for Her Divine game, where She decrowns all the false leaders in our minds. For us, there is one God and one leader only, it is Our Divine Mother, and our single purpose is to give self-realization to as many people as possible. We promise to endeavor our best efforts to awake all people in our and other countries. Our single desire is to be the pure channels of the Most Loving, the Most Compassionate and the Greatest Mother.

By the grace of Shri Adi Shakti, may Vishwa Nirmala Dharma be established in Hearts and Sahasraras of all those people whom Shri Mataji wish to see at Her Lotus Feet.

With love from Ukrainian Sahaja yoga collective,  
National Council's Coordinator of Ukraine  
Viktor Bondar
